

HEA | HIGH EFFICIENCY
AIRLESS™

Makes it easier to paint like a pro.™

ControlMax™ Series

TITAN®

HEA | HIGH EFFICIENCY AIRLESS™

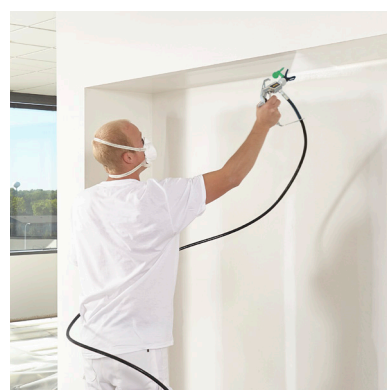

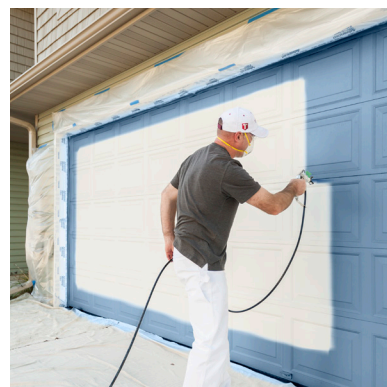

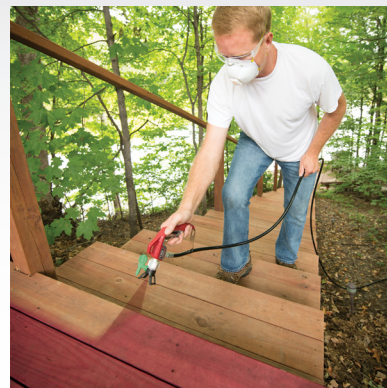

Makes it easier to paint like a pro.™

New High Efficiency Airless™ technology takes the intimidation out of airless spraying with unmatched control and a forgiving fan pattern that delivers a more consistent finish.

- ▶ **UP TO 55% LESS OVERSPRAY¹**
- ▶ Softer spray improves control for a more consistent finish
- ▶ Takes the intimidation out of airless spraying

Perfect for that contractor new to spraying or the semi-professional ready to take the next step. HEA systems can be used for a wide range of coating materials, including interior and exterior jobs, and can easily be transported from job site to job site.

- ▶ Lasts up to 3X longer than comparable airless sprayers
- ▶ Power to spray unthinned coatings
- ▶ Replaceable fluid section maximizes sprayer life

OVERSPRAY IN AIR¹

¹ Testing performed using a popular interior latex paint vs. competitive high pressure airless system.

ControlMax™ 1900

AIRLESS PAINT SPRAYER

1

Convenient storage area for tips and tools²

2

On/Off Switch
Pressure Control
